WHAT IN THE WORLD IS GIONG ON?

Not only is that a good question, it is one that should be on everyone's mind. In a very short time our world seems to be unraveling at the seams. Can anyone deny the rapid advance to a one world society that has come about in these last few years?

When we think about a one world society, do terms like *one world government* or *one world church* rattle around in your brain? Big questions being asked that very few people seem to want to answer. However, don't dismay! I, insignificant as can be, can tell you where the answers can be found. Of course—IN GOD'S WORD! You knew that already didn't you? When did it start? It started in the book of Daniel when God gave us a history lesson before it ever happened.

Since 1993, the EU has progressed to its future role God predicted in His word thousands of years ago. When Europe started talking about a common community years ago, very few people thought it would come to pass. After the creation of the European Economic Communities it later changed its name to the EC referring to the European Communities. This change was made November 1, 1993, when the Maastricht Treaty came into force. Cooperation was no longer merely economic in nature, but was gradually extended to include fields such as transport policy, taxes and excise duties, social policy, employment policy, education, culture, health and consumer protection, research, the environment and development aid. In other words, every area of life.

Now, due to economic connections and word unrest, *the one world government* is looking

for a place to begin. What better place than in the midst of financial disaster and turmoil. To quell the fear, what better way than establishing a *one world church* to bring its definition of god to bear on all the constituents. For years, the world has held to the idea that Catholicism would be the religion forced on the world. I think there is a new way to spell Catholic—I-S-L-A-M?

I would simply like to suggest that every Christian start reading their bible to prepare for the future. I would love to be proven wrong. The Christian community needs to wake up to see what is happening, not only in the rest of the world but here in America as well. No longer do we say the times are changing—THEY HAVE HANGES! I think I read somewhere; "Look up for your redemption draws near."

Looking Up!
Bro. Larry

Education Ministry

Dear Church,

Thank you for supporting our first Health Matters. Our next Health Matter is scheduled for Sunday, April 10th. Additional information will be provided in the weeks ahead.

To all our Sunday School Classes and teachers, thank you so much for your faithfulness in attending Bible study, for teaching God's Word faithfully, and for the great level of fellowship you bring during our General Assembly time each month.

Before we know it, the summer days will be here, and that means Vacation Bible School for us. We want to encourage you to volunteer for this great outreach evangelistic event. Each year, we get to minister to more than 80 children, this means, your ministry service is needed in order to have a successful week. Save the VBS and select an area of service for you.

MISSIONS

Thank you ERBC family for your kind donations to help stock the Pantry at BUA.

Now, let's prepare our hearts as we hear from Teo Cisneros, Vice President of BUA.

Also, special testimonies and music from Seminary students.

Don't miss it!

Anchored Love Ministries will be going to **PERU** on **August 18-31**. This is a ministry collaboration with PERU Baptist Convention. We will be in two sites Equipping Men, Women, and youth. **Arequipa and Lima**

Your prayers are needed as we prepare for this mission endeavor, but financial assistance is needed as well.

If you would like to contribute financially, please call Sandra Cisneros at the church office 210) 655-4643 or talk to Rachel Saldana,

Anchored Love Ministries Treasurer/Secretary.

 Onions, pickles, BBQ Sauce, Bread, & dessert

Eisenhower
Baptist School

Spring break is March 14th and after a busy year and the cold weather, both the students and teachers are looking forward to this week off, but the day care will remain open throughout the week.

Early registration is going great! We have some new students from the families going to Ft. Sam, and things are shaping up great for the coming year.

If you have good children's books in your home and your children are through with them, we would love having them in the toddler and two year old rooms. In the two year old room we begin teaching them colors, shapes, we teach them songs and tell them stories. The ladies working in those rooms are very loving and kind, and do a fantastic job teaching these precious children. Please pray for the school and daycare.

To God be the glory!

Mrs. June Richards

Health Matters
Sunday, April 10

Make plans to participate in our second Health Matters.

The emphasis for the next Seminar will be on Physical Activity.

This event will be offered to the community. If you are a nurse and have some available time, we could use your service to provide testing for diabetes, and blood pressure.

For additional information, contact Sandra Cisneros

Church Wide Revival May 1-4

Let's begin making spiritual preparations for this year's Church Revival.

Revival begins with us personally and collectively as a Church.

Revival means the Lost
Revival means reaching our Community so that no one perishes but have everlasting life.
